

KLUB GIRKO: Responsive Round – TECH FILE

Contacts:

Artist: Josef Stiller +4915238764466 josefstiller@posteo.de

Production: Nicole Meier +491703189833 art.revolution@icloud.com

General information:

duration: 40-45min / 2 shows per day

team on tour : 1 performer + 1 sound artist (+ occasionally 1 production)

set up: 3h

shows per day: 2 (inbetween: 1 hour min)

audience capacity: 70 - 120 (depending on site)

all audiences, no language, > 8

(1 - 2 wheelchairs max)

door open: max 10 minutes before beginning

Stage:

- min 7x7 m

- levelled and hard floor. Covered with dance floor

- height: min 7 m / best > 8 m

(if ceiling is lower but min 5 m we can offer a version of ca 30 minutes. Please contact us in this case)

- on stage, but also in foyers, special venues ...

Seating of audience:

- audience is seated around a circle of 6m diameter

- organizer provides ca 35 – 40 chairs as first row around the circle. People in 1st row will actively participate in the performance.

- a second – or even third – row can be done. Or third row standing ... all chairs / banks etc to be provided by organiser

Sound (provided by organiser)

- a sound system with 4 speakers and 2 sub-speakers provided (placement see drawings below)
- the sound equipment of the artist will be set up next to stage
- the equipment of the artist will be connected with 4 xlr-connections, one for left and one for right, plus separate connections for the sub-speakers
- sound artist of company will be seated in first row

Light (stage situation):

Materiallist (also see light plan below!):

16 x PC 1kw

1 x Profiler 1kw

4 x floor lights and small stands

- all lights without filter!

the artist will do the light cues himself with a light-interface. for that please provide a DMX-connection and lights set up and patched according to the light plan (below).

In case of any adaptation – also for outdoor or special venues, please get in contact with us **before** arrival. We will find a solution.

- if the performance is outside: no lights during day performances, for evening performance please get in contact with us and we will send a light plan according to the situation.

Production details:

Travels: Team (2, sometimes 3 people) will be travelling by car and train. 1 parking space needed close to venue.
